

# 2012 MISSING SPIRE RIESLING

ANTRIM COUNTY, GRAND TRAVERSE COUNTY,  
OLD MISSION PENINSULA, MICHIGAN

## THE SHORT VERSION:

Perfumes of flowers and peaches with a tropical juice quality

## THE LONG VERSION:

Riesling is often discarded by nouveau wine geeks because they think they should be critical of all things sweet and that all Riesling is sweet. Both assumptions are silly. This point is often raised when talking about dry Rieslings, but it is more relevant when talking about a naturally sweet Riesling. Sugar is the most critical portion of the grape and leaving some in the wine is an art. This Riesling is a blend of grapes from our higher acid and higher ripening sites in 2012. We capture balance by halting the fermentation with cold. This is important because the resulting sugar balance is more natural-tasting than a wine sweetened after fermentation. This also prevents the alcohols from being excessively high in the presence of added sugar which can create an overly flabby wine.

With sweet wines, it is important to remember that they will age beautifully if fermented from excellent fruit. This wine will continue to develop aroma and flavor in the bottle for several years. The beauty and pleasure they provide in their youth is only amplified over time.

## ABOUT THE LABEL

The label refers to the center spire of the old Asylum where LFC is located. The spire was torn down in the 1960s as part of a fire deterring mentality. It was the most ornate section of the building and the space where it once stood is vacuous. There is a hope that someday it will be re-built. Until then, it is just a memory.
