

2020 BLAUFRÄNKISCH Old Mission Peninsula

We don't just make white wines. The truth is we have been nurturing some relationships with great red vineyards for years. It's just that nothing is quick in the wine world. Blau as in blue, Frank as in French, Isch as in ...well...ish. It has deep potential that will be revealed over time in the bottle.

We began experimenting with this Austrian grape called Blaufränkisch in 2000. It has proven to be a perfect fit for our northern climate, so we have been actively seeking sites around Old Mission and Benzie Counties to plant more. The tannins are mellow and this wine only required 8 months in barrels to come of age. We wanted to capture the playful side of this grape, so we bottled using screw caps. This will keep the wine bright and fresh for many years to come.

THE VINEYARDS

Hawk Ridge of Old Mission

APPELLATION: Old Mission Peninsula
VARIETIES PLANTED: Blaufränkisch
ACREAGE: 1.2
GROWN BY: John and Laura Keenan

Swanson Vineyard

APPELLATION: Old Mission Peninsula
