

2021 ROSÉ Benzie County

Made from 100% Michigan-grown Blaufränkisch this is our contribution to the world of dry Rosé. Eden Hill Vines is a southern vineyard in Benzie County. Here we isolated a block specifically for Rosé. In this block we planted a clone known to have ripe plum berries with lots of juicy acidity.

We release the juice from the skins very quickly to capture a pretty hue of pink and still manage to find the layers of complexity within the berry for a delicate style dry Rosé.
