

# 2021 BLAUFRÄNKISCH

## Old Mission Peninsula

We began experimenting with the Austrian grape Blaufränkisch in 2000 on a single acre vineyard on Old Mission Peninsula. The grape has proven to be a perfect fit for our northern climate, so we have been actively seeking sites around Old Mission and Benzie County to plant more and expand our Blaufränkisch program. This wine is from the two newer Old Mission vineyards, and only required eight months in barrels to come of age. The tannins are mellow. This wine has deep potential that will be revealed over time in the bottle.
