

2020 KEENAN BLAUFRÄNKISCH

Old Mission Peninsula

All three of our single vineyard Blaufränkisch bottlings from 2020 come from the Old Mission Peninsula. Due to the peninsula's microclimates, as well as factors such as the age of the vineyard, growing techniques, and the separate French oak barrels in which the wine was aged, each wine is as unique as the sonic waveform on its label.

The wines from these vineyards were destined for a Reserve Blaufränkisch, but we chose instead to bottle each separately in order to celebrate their individuality.

The Keenan Vineyard has a flavor profile much like the sonic waveform on the front label. It has deep fruit and softness that builds slowly and consistently around the whole palate and then finishes with a swirl of texture, and an overall impression of rich tone and resonance
