

2020 LATE HARVEST RIESLING

Seventh Hill Farm Old Mission Peninsula

This 5 acre vineyard was planted at the north end of Old Mission Peninsula in 1999. It has a perfect southern slope of sandy loam soils which get intense sun exposure all day. For this reason, the vineyard typically ripens early with strong acidity. These old vines have dug their roots deep into the earth and it shows in the wine.

This is our second Late Harvest style Riesling from Seventh Hill Farm. This vineyard offers the perfect opportunity to showcase the beauty of natural sugar with the zippy acidity found in Riesling. 2020 was a vintage with a warm summer and moderately cool fall. We stopped the fermentation to highlight the unctuous fruit and give you a chance to enjoy the opulence of a fully ripe Riesling.
